G Karmic Chakras

There are three karmic chakras.
The first is located halfway between the navel
and the solar plexus.

The second is in the center of the chest
above the heart.

The third is directly in front of the crown
chakra at the top of the head.

These centers govern how we perceive
our karmic lessons.

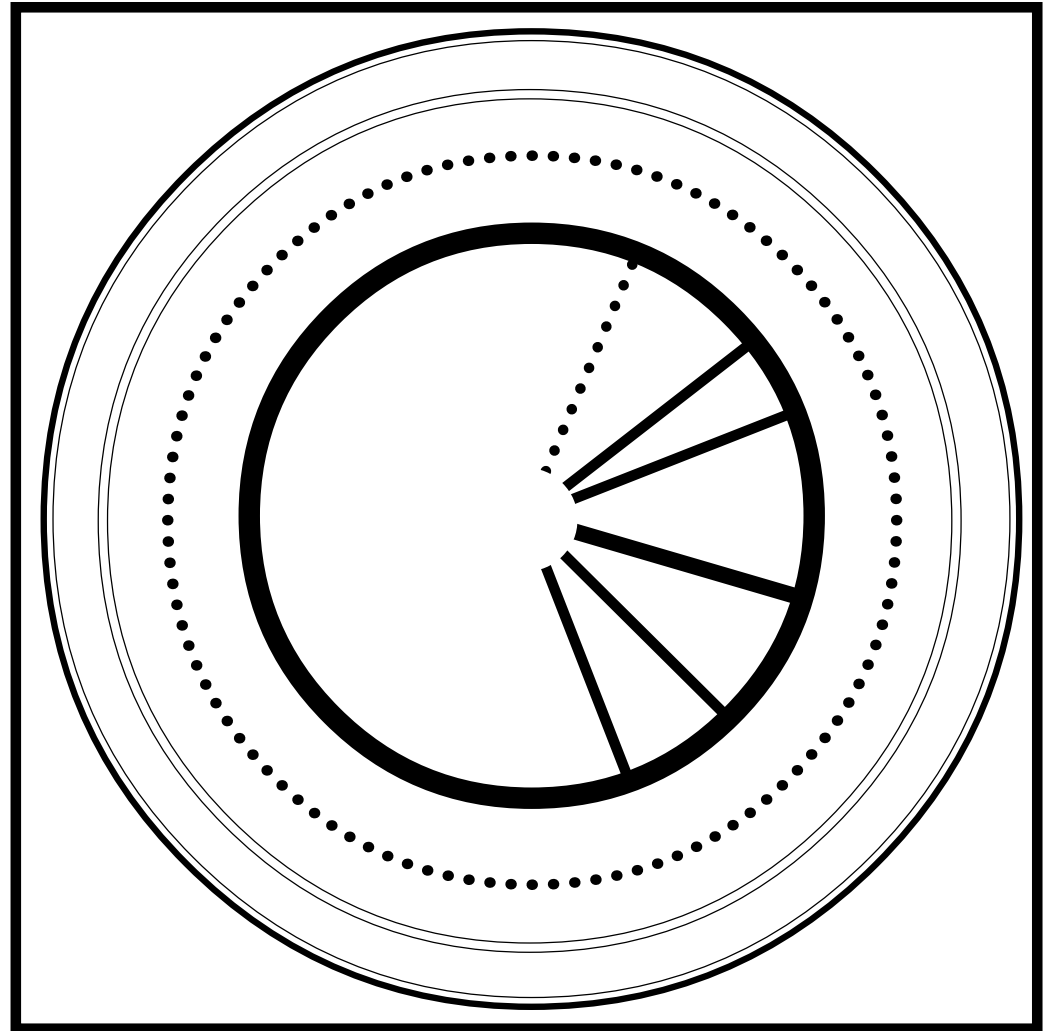

When they are out of balance, we view
our karma as punishment or reward.

The truth is that all experiences in life are
blessings and are there for our highest good.

When we release ourselves from this struggle,
our hearts are open to forgiveness and joy.

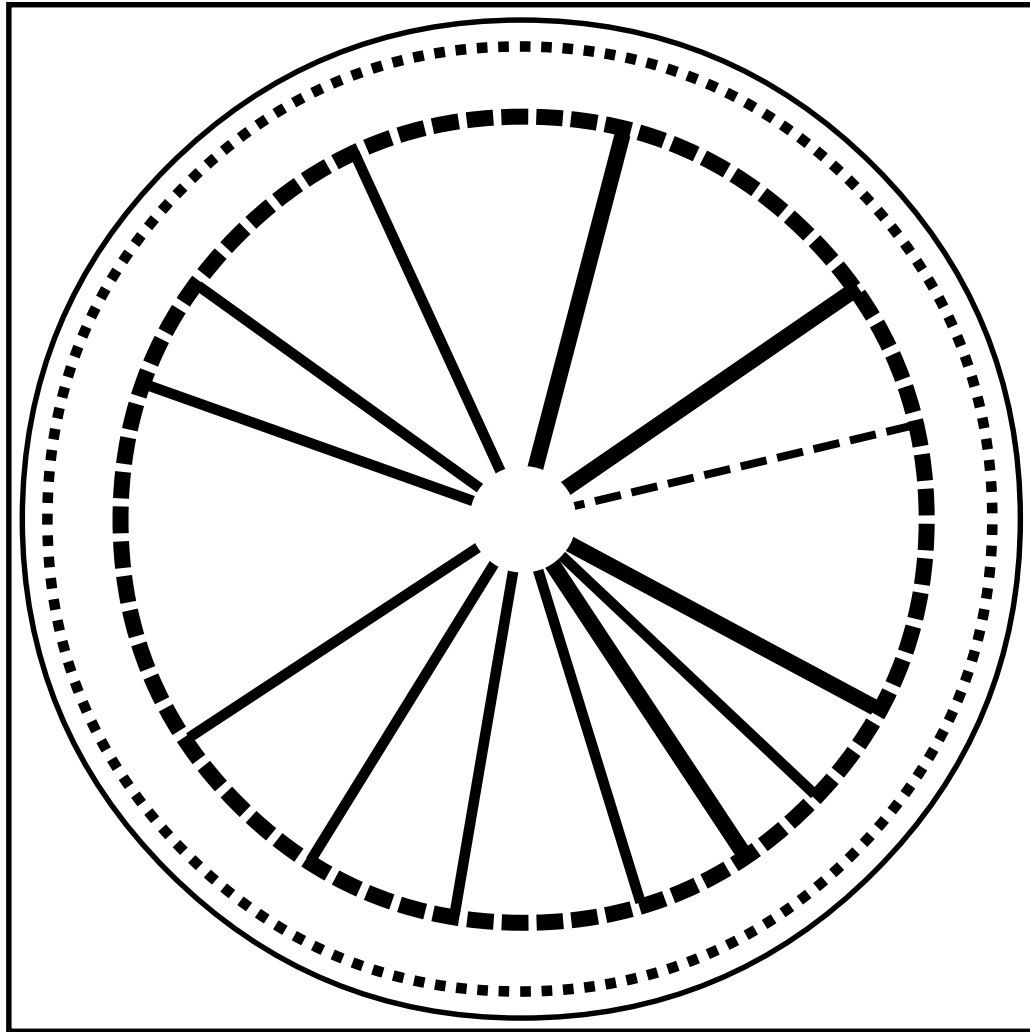

This is one of the great keys to
spiritual transformation.

Welcome life in all forms that it takes.

BIRTH CHAKRA

↑ Birth Chakra

The birth chakra is located on the navel, and contains our connection to the Mother Goddess or Madonna.

It is through this energy center that we remember we are precious children of Divine Spirit.

When this center has lost its connection with the heart, we are filled with loss.

We forget what it is like to be loved unconditionally.

Regain the innocence and release all regrets.
